

PEABODY MUNICIPAL LIGHT PLANT SERVICE APPLICATION

PROJECT TITLE _____

LOCATION _____

Electrical Contractor
(or Architect / Engineer) _____ Telephone _____

Please note that this **COMPLETED AND SIGNED** form must be received at least 16 weeks (26 weeks if underground primary is required) prior to the requested installation date for permanent service. Longer lead times may be required for large projects, or if dictated by longer transformer manufacturing delivery schedules. Location of the permanent service entrance will be designated by the Peabody Municipal Light Plant. This information must be as accurate as possible as it will be used for determining the amount of deposit required as well as for the sizing of electrical equipment.
