

# Understanding Your NEW PMLP Bill

Your electric bill has been re-designed to accommodate our new billing system.

The following information is provided to help you better understand your new PMLP bill.

- A Account Information**  
Contains Account Name, Account Number, Service Address, Total Amount Due, Discounted Net Due Date, Discounted Net Due Amount and Amount Paid.
- B Account Activity**  
Contains appropriate Rate Class, Service Period, Meter #, Read Type (Actual/Estimated), Current and Previous Read (meter), and Billed Usage.
- C Historical Consumption Data**  
Contains a customer-specific comparison of electric usage for a 13-month period. Includes usage in kilowatt-hours (kwh) in graph form, as well as the number of actual kilowatt-hours used each month. This information can be used to determine which months the most electricity is used. Information for PMLP customers with less than one year with PMLP will be listed according to the number of months of service.
- D Important Messages**  
Contains important information from PMLP, including ways to save energy, special events, holiday office closing information, etc. Also contains customer/account specific messages as needed.
- E Your Electric Bill Was Calculated As Follows**  
Contains Past Due Amount (if there is no past due amount, this will remain \$00.00), Total Basic Charges, Total Current Charges, Total Amount Due, 20% Discount of Basic Charge if Paid by date, and Discounted Net Amount Due.
